

# Decorative Wall & Ceiling Linings

**easyvj** provides a modern v-groove design to match the style of traditional timber joint planks. Works well as a subtle, yet effective wall and ceiling lining to enhance any space.

**easyvj**

## Suitable for:

- Decorative interior wall & ceiling linings
- Ideal replacement for traditional plasterboard
- Residential applications: Dining, kitchen, lounge, family, bedroom, study, media, games
- Commercial applications: Foyers, classrooms, offices, rental properties, retail, restaurants, apartments, hotels, aged care facilities

## Product features:

- Made in Australia using all Australian grown species
- Consistent board surface, no knot holes, splitting or splinters
- Features decorative profile to product face
- Hidden tongue & groove *easyjoin* system

## Comparison to traditional plasterboard:

- No joint sealing or sanding required
- Comes pre-primed for faster, easier final coating
- The *easyjoin* system makes installation 50% quicker
- Provides high impact resistance, 300% tougher

## Environmental commitment:

- Easycraft Australia is committed to using the best available environmentally sustainable timber
- Manufacturing under AS 4707:2014 – Chain of Custody compliant management system for certified wood and forest products
- Base substrate has received Ecospecifier Global GreenTag dual certification
